

Multani Mal Modi College, Patiala

Alumni Feedback Analysis of 2019-2020

1. The admission procedure and faculty of college is good and the overall rating has been given very high by alumnus.
2. There is a lack of proper training and placement cell in the college, which should be activated as soon as possible keeping in mind a necessity in the present times.
3. A proper linkage of alumni network need to be evoked to make the alumni association more effective.
4. The college is successful to build and create the infrastructure over the years.
5. There are very less number of permanent employees/faculty in the college, therefore there is a dire need to hire permanent staff and faculty.
6. The canteen facility at the college need to be strengthened.
7. If possible, the outdoor activities should be increased to provide the overall development support to the students.
