Percentage Bar Graph of Year-2016-17

INTERPRETATION:

It is quite evident from the above graph that the college is having a very good faculty, who is having a good rapport with their students. The faculty is very committed and punctual in completing their duties of the college. They are very much dedicated towards the betterment and development of the students. The faculty is having required qualifications as per the UGC guidelines. The college is having less score in case of infrastructure and curricular aspects as compared to other factors. But majority of the elements of this category related to the affiliating university.

Summarised Analysis of Institutional Feedback year-2016-17

MAXIMUM RATING:

1. Qualification of faculty and their commitment and punctuality.
2. Teacher's dedication towards their duty.

MINIMUM RATING:

1. Alumni support
2. Industrial and educational visits.

SUGGESTIONS:

1. Training programme should be provided to face the competition.
2. Equipment and apparatus should be updated.
3. Sanitization facilities should be emphasized.

ACTION TAKEN: (evidences are in AQ and AR reports)

1. Soft skill program in photography, heritage and general studies to be started.
2. Submission of proposal for the major research projects to funding agencies.
3. Vermicomposting facility enhancement.
